

TUNING IN TO KIDS

Emotionally intelligent parenting
A six session parenting program for parents

Would you like to learn how to

- be better at talking with your child?
- be better at understanding your child?
- help your child learn to manage their emotions?
- help to prevent behaviour problems in your child?

Tuning in to Kids shows you how to help your child develop emotional intelligence. Children with higher emotional intelligence

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry
- tend to have fewer childhood illnesses
