Activity cost: \$10.00

**Please ensure your
participant has a copy of their
covid Vaccine certificate
or exemption**

Term 1

Monday 3.00pm - 6.00pm

Let's cook and create - Sweets, treats, plants and seeds.

On Mondays participants will work together to bake, package and prepare products to 'Sell' to Familycare staff. There will be lots of taste testing and take-home samples for the participants.

Wednesday 3.00pm - 6.00pm

Cafe Intorec - The participants will be running a cafe out of the sensory garden. Each participant will have a Job each week in either the cafe or the Garden. The aim of this cafe is to support our participants to build on their skills in areas such as money handling, customer service and social communication. It won't be all work - they will also have the opportunity to mingle and enjoy their sweets and treats.

94 Wyndham Street Shepparton
