

Tuning in to Teens

A six session program for parents of 12-18 year olds

- How do I talk to my teen and get them to listen?
- How do I help prevent behaviour problems with my teen?
- How can I teach my teen to deal with conflict?
- How do I help my teen to cope with and understand their emotions?
- What can I do to better understand my teen?

Do you want to know how?

Monday 29 April - 27 May 2024
6.00pm-8.00pm

ONLINE

Emotional intelligence may be a better predictor of academic and career success than IQ!
